

Children's Programs Ages 6-12

Kite Making

Children throughout history have enjoyed making and flying kites. Build your own high flyer.

Silly Sock Puppets

A popular pastime from long ago comes alive and lets children become the stars of the show!

Making Monsters

Take a peek at the gargoyles of Saskatoon and create your very own monster.

Feeder Frenzy

Learn about the different birds that live in Saskatoon and how they have adapted to life in the city. Make your own bird feeder to take home.

Green Energy

Climate change is a growing concern. Join us for an introduction to solar and wind energy and learn why we should use renewable resources. Followed by a craft.

Pelican Party

Learn about these large birds as we discover some fascinating facts about pelicans, through games, videos and art.

Paper Making

Discover the art of paper making where you will learn the history of paper, and make some beautiful hand-made paper.

**These programs last
