

# During unsupervised skate times, use at your own risk!

---

Due to COVID-19 the following protocols must be followed:

If you answer yes to any of these questions, please do not enter:

- Are you or anyone in your group experiencing symptoms of COVID-19 such as cough, fever, sore throat, chills, runny nose and/or shortness of breath/breathing difficulty, vomiting/nausea?
  - In the last 14 days have you or anyone in your group traveled outside of Canada or to high risk sites?
  - Have you or anyone in your group been advised to self-isolate or quarantine?
  - Have you or anyone in your group had exposure to an individual with COVID-19 symptoms or diagnosed with COVID-19? or
  - Have you or anyone in your group been tested for COVID-19, results pending, or received results of a positive test?
- ***Non-medical face masks are strongly recommended.***
  - Always stay 2 metres (6 feet) apart from those not in your group and 3 metres apart when on the ice participating in physical activity.
  - The number of people on the ice surface at once must not exceed the restrictions on public gatherings (30 people maximum as of November 2020).
  - We recommend sanitizing your hands before and after using the rink.
  - If the rink surface is busy, please come back later or try visiting another rink
