# *Dedication Celebration*

---

***Honouring recipients, acknowledging  
donors and remembering loved ones...***

**Meewasin is honoured to be able to offer many opportunities for individuals to help us in maintaining the unique aspects of our city.**

**We work with you to create your own legacy in the Meewasin Valley through gifts to commemorate events, relationships, or occasions, as something that can be enjoyed in your lifetime, not just as a memory.**

**It is because of the generosity of those who enjoyed the valley before us, that we are able to continue to enjoy and share our vibrant river valley today.**

---

As part of our virtual dedication celebration we wanted to invite our supporters and partners of Meewasin to provide regards to all participants of the program!
