

Eco Scavenger Hunts

Become a **citizen scientist!**

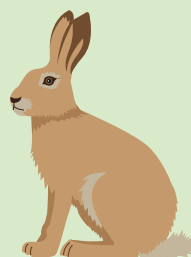

Explore the Meewasin Valley and try our *DIY Eco Scavenger Hunt: [SUMMER EDITION](#)*

Coyote

Garter Snake

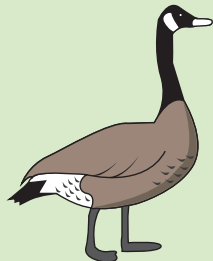

Hare

Ruby-throated Hummingbird

Purple Martin

Canadian Goose

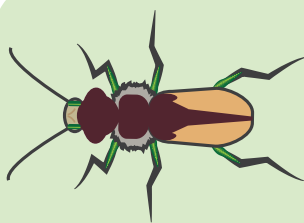

Red-winged Black Bird

Mule Deer

Rare finds:

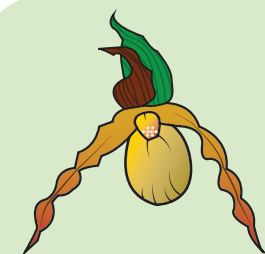

Gibson's Tiger Beetle

Green Ash Leaves

Bobolink

Largemouth Yellow Lady's Slipper

Identifying and recording types of flora and fauna will help Meewasin in our valley-wide monitoring framework and future conservation efforts!

Use the *iNaturalist* app on your phone or tablet to record sightings of species you find!

iNaturalist is a global database that locates and tracks species, that can be used in scientific research, and helps increase the amount of data we have on life on our planet.
