

Leave your legacy in the *Meewasin Valley*

Meewasin is honoured to be able to offer many opportunities for individuals to help us in maintaining the unique aspects of our city. We work with you to create your own legacy in the Meewasin Valley through gifts to commemorate events, relationships, or occasions, as something that can be enjoyed in your lifetime, not just as a memory.

It is because of the generosity of those who enjoyed the valley before us, that we are able to continue to enjoy and share our vibrant river valley today.

NE Swale Hectare	\$100
Shrub	\$50
NEW Brent Loucks Valley Revitalization Program	\$50

Meewasin

Seating Block

Choose an unsponsored Concrete seating block at River Landing. The block is sponsored for the 'life' of the block. As it is made of concrete we anticipate this to be a substantial length of time, but we cannot guarantee the exact period. Each seating block includes a personalized plaque.

Bench

Choose an unsponsored bench within the river valley. The bench can be sponsored for a period or Ten years or Thirty years with first refusal for term renewal. The bench will be maintained by Meewasin Valley Authority during the sponsorship term. Each bench includes a personalized plaque.

Bricks

Leave a lasting mark in Saskatoon for generations to come with an engraved brick in one of these locations.

**Saskatoon Community Foundation Plaza at River Landing, International Peace Plaza at Rotary Park
Saskatoon Road Runners Node by Diefenbaker Center, The Factoria Seating Node at the east end
of Adilman Drive**

The sponsorship of a brick is for the life of the Brick. The brick will be engraved with the wording of the Donors choosing. (up to 25 characters)

Plant A Tree

Help Meewasin plant trees along the river bank to recognize a friend, family member, colleague, group, or business. Trees are planted and maintained for Three years. Each tree is given its own Identifying tag after the dedication ceremony that the donor will use to find their tree. This will bio degrade within a month or two. The tree will not be re-dedicated and remains the tree of the donor for the life of the tree.

Two options available Conifer and Deciduous.

Memorial Forest

These donations go towards the maintenance of the mature memorial forest in Gabriel Dumont Park.

NEW Brent Loucks Valley Revitalization Program

Donors to this program will support the beautification and restoration of the Meewasin Valley! For over 40 years Meewasin has been deploying new and traditional land management techniques to take care of this treasured space. You can contribute to this process through a donation of any amount. Generously started with a donation of \$100,000 from Rawlco Radio on behalf of Brent's retirement.

All dedications made throughout the year will be recognized in our annual Dedication Ceremony held in June. All donors, friends and family will be invited to attend the ceremony.
