A ticket gives you early access to Beaver Creek Conservation Area to enjoy a morning hike on the trail and an opportunity to discover some remarkable birds. Partnering with local businesses,

Road Coffee and Style & graze, enjoy a coffee paired with a continental breakfast box specially curated for this experience.

“We wanted to develop a fun way to engage the community with bird watching, highlight some of Saskatoon’s wonderful local food and beverage providers, and continue to educate people about the Meewasin Valley. Meewasin’s experiences are great for locals and visitors to see the valley in a different way and try a new activity or develop a new hobby!” says Meewasin’s Education & Experiences Manager, Magel Sutherland.

Proceeds from these experiences support Meewasin’s education and conservation efforts.

This experience is intended for new or beginning birders. Due to the natural features of the trail network, this experience is not considered accessible for guests with limited mobility.
