Explore the Mating and Dating Strategies of the Wildlife at Beaver Creek Conservation Area

June 12, 2023

Meewasin is bringing back an enjoyable, humorous and educational experience just for adults!

Join Meewasin for an entertaining evening that explores the mating and dating strategies of the wildlife at Beaver Creek Conservation Area.

Meewasin has combined some delicious local food and beverages with a tour that takes a lighthearted look at what happens in the river valley after hours.

Enjoy an individual charcuterie box especially curated for your Meewasin experience by Style & Graze, paired with a beverage from 9 Mile Legacy Brewing or Stumbletown Distilling or a local non-alcoholic beverage

Meewasin's Education & Experiences Manager, Magel Sutherland, speaks on this experience, "Meewasin's mandate is to conserve, develop and educate. Naughty by Nature is a fun way to educate an adult audience about the wildlife in the Meewasin Valley. This experience is a night full of laughs and learning, guaranteed!"

This tour will provide laugh-out-loud facts about our favourite Beaver Creek flora and fauna but it's not for everyone, comfort with risqué topics and a good sense humour are a must!
