Meewasin Valley Authority

402 Third Avenue South Saskatoon, SK S7K 3G5 306-665-6887 meewasin.com

Meewasin offers many opportunities for individuals to help us in maintaining the unique aspects of our city.

We work with you to create your own legacy in the Meewasin Valley through gifts to commemorate events, relationships, or occasions, as something that can be enjoyed in your lifetime, not just as a memory.

It is because of the generosity of those who enjoyed the Valley before us, that we are able to continue to enjoy and share our vibrant river valley today.

As part of our dedication celebration we wanted to invite our supporters and partners of Meewasin to provide regards to all participants of the program.

Opening prayer **Senator Nora Cummings** Emcee, Meewasin Interim CEO **Mike Velonas**

Guest Speaker Honorable Minister Alana Ross

Guest Speaker Councillor Bev Dubois

Meewasin Board Chair Angela Bedard-Haughn

Guest Speaker Dr. Anne Neufeld

Guest Speaker JoAnn Nilson & James Lokken

Musical Guest *Erica Maier*

Planned Giving

Meewasin relies on donations to steward Saskatoon and area's most treasured space, the Meewasin Valley. We could not provide the river experience we do without help from you. Consider supporting Meewasin through a one time, yearly, or monthly donation. Planned giving is an amazing way to gift funds to us as your chosen charity. Please contact our donations officer at **donations@meewasin.com** or **306-665-6887** for further information.

Meewasin is located on Treaty 6 Territory and the Homeland of the Métis. We humbly acknowledge the traditional caretakers of the land and honour the First Nations and Métis people of this place.

Check out Meewasin's Signature Experiences!

Enjoy a peaceful morning at Beaver Creek Conservation Area with your guide Jamie McMillan, and learn more about local and migratory birds!

All proceeds from this experience support Meewasin's conservation and education programs, making this a truly sustainable experience in one of the Valley's birding hotspots.
