
POLICY: River Edge Industrial Location	Policy No: 2	Page Number: 1 of 2
	New/Revised: New	Responsibility: MVA
Authority: Meewasin	Date of Issue	Effective: Dec. 4/81

A. OBJECTIVES

The objectives of the River Edge Industrial Location Policy are:

- a) to protect the health of the river;
- b) to protect natural and heritage resources and scenic areas along the river edge;
- c) to protect Meewasin Valley from noise, noxious odours, heavy traffic, unsightly buildings and ancillary structures which detract from the natural setting and beauty of the river edge; and
- d) to conserve Meewasin Valley for future generations to use and enjoy.

B. APPLICATION

The River Edge Industrial Location Policy shall apply to the river edge, as defined in "**4. DEFINITIONS**".

C. POLICIES

Subject to any exemptions the Meewasin Valley Authority may allow:

- a) Any new industrial use will not be permitted to locate within the river edge.
- b) The expansion of an existing industrial use will not be permitted within the river edge where the expansion will conflict with the objectives of the River Edge Industrial Location Policy.
- c) When an existing industrial use within the river edge has ceased operations for more than six months, the owners or operators must apply to Meewasin for permission to resume operations.
- d) Meewasin will work toward the relocation of uses away from within the river edge by the year 2000.
- e) The Authority may make bylaws regulating industrial uses within the river edge.
